WELCOME FROM THE PRINCIPAL

Dear Westholme Family,

Welcome to another year of excellence at Westholme School.

Our mission is very serious. We exist to develop better students and better people; the challenges that lie ahead, many created by my own generation, need to be solved by young people who have a genuine sense of purpose. But, while they are at school, learning those values and skills, we want them to have a lot of fun!

Westholme's academic results speak for themselves, and we are proud, though not complacent, of our position as one of the leading schools in Lancashire. With our broad curriculum and dedicated staff, we are able to help our students to fulfil, if not exceed, their academic potential.

The destinations of our leavers reflect the diversity of our student body. Some will go on to traditional degree courses at some of the most prestigious universities in the world; some will go on to modern courses that will lead to careers that didn't exist when we were at school; and others will start degree apprenticeships in a range of exciting workplaces.

In short, there is no such thing as a "Westholme product". We take every individual for who they are and encourage them to follow their passions. That is a privilege for us as educators and incredibly exciting for you as parents.

Just as important as our academic success are the ambitions, skills and personal attributes that are developed through a Westholme education. As adults, we know that communication, leadership and team-work skills, resilience and adaptability, and an acceptance of the relationship between sheer hard work and success, are all as important in life as the results we got at A Level.

A Westholme education opens doors for our students, giving them the knowledge and skills needed to approach the next stages of their lives with confidence and enthusiasm.

A massive part of our success has been determined by the way in which we work together as educators and parents to help our children become the very best versions of themselves. Thank you for your support.

This handbook contains much of the day-to-day information you will need, but never hesitate to get in touch if you need further guidance or support.

Mr P Taylor
Principal

1. VISION, MISSION & VALUES

OUR VISION

Westholme is the school of choice for families in the North West, providing first-class intellectual, social, emotional and physical education for pupils from 3-18 within a community that puts children at the heart of everything.

OUR MISSION

At Westholme, our mission is to inspire every pupil to achieve their personal best through academic excellence, exceptional pastoral care and a rich breadth of opportunity. We nurture confident, compassionate and well-rounded individuals who are equipped with the character, curiosity and ambition to thrive in a changing world.

Rooted in our Christian heritage and forward-thinking in our approach, we foster a vibrant learning community where every child is known, valued and challenged. We believe in education that goes beyond the classroom; empowering pupils to lead with integrity, contribute meaningfully to society, and embrace life with resilience and purpose.

OUR VALUES

At Westholme, we believe in the transformative power of two simple values: working hard and being kind.

We encourage all pupils to strive for excellence, to approach challenges with determination, and to take pride in giving their very best in all they pursue. Through dedication, curiosity and resilience, our pupils learn that hard work is the foundation of meaningful success and lifelong fulfilment.

Equally, we champion kindness as a strength that builds character and community. We expect all members of our community to treat others with respect, empathy and integrity, creating a supportive and inclusive environment where everyone feels valued and encouraged to realise their unique strengths.

Together, these values underpin everything we do. They shape the way we learn, lead and live.

5. GENERAL PROCEDURES

A. ASSEMBLIES

Through our assemblies, we aim to encourage and promote the spiritual, moral, social and cultural development of each student in an environment which reflects the vision, mission and values of our school. At the same time, our approach is inclusive rather than narrowly denominational. We hope that all members of our community will want to join fully in all we set out to do.

Assembly is a time set aside for reflection, recollection and stimulus. It is a time when we can examine influential personal, moral and social issues and draw meaning from events which happen to us and around us. It can be a time for contemplating the profoundly spiritual nature of all aspects of human experience and also for considering our response to issues of the day. The regular weekly assemblies also provide opportunities for routine communication, and the celebration of achievements and events.

We believe that assembly helps to generate, nurture and preserve the ethos of the school along with a sense of tradition and an awareness of shared values. It also functions to maintain the unity, integrity and corporate identity of the school as a vibrant, dynamic, purposeful and caring community.

B. BEFORE AND AFTER SCHOOL CARE

Before School Care

The earliest time students may arrive at school is 7:45am, as this is when there are staff on site. This is for safeguarding and health and safety reasons.

Students that do arrive early and require assistance from 7.45am may report to Student Reception.

After School Care (ASC)

All students must leave the school premises by 4:15pm. If Senior students are still in school after 4.15pm, they must be supervised. This is for safeguarding and health and safety reasons.

This can either be in the form of a staff run club (such as sport, drama etc.) where the member of staff will register them, or they must go to the LRC to be signed in there.

Parents will be charged for supervision in the after school club in the LRC - there will be a daily charge of £8.00 per session for each student in Years 7-11 staying after 4.15pm.

Where students are attending a supervised co-curricular activity such as a sporting practice or drama rehearsal, then no charge will be made.

Similarly, students waiting for individual music lessons, LAMDA lessons, paid coaching sessions etc. will not be charged. These students do still need to go to the LRC and sign in with the member of staff on duty if their session does not start until after 4.15pm however.

- Students have until 4.15pm, at the latest, to either leave the premises or join a supervised activity. If they are not participating in an activity with a member of staff, then they **MUST** sign in at After School Club (ASC) in the LRC.
- Parents will be charged on the termly bill for ASC.
- Refreshments are served in the LRC from 4.30pm onwards.
- Students signed into ASC are the responsibility of the member of staff on duty (ASC leader).
- Students are not permitted to leave ASC unless they are signing out to go home or to visit the bathroom (students must ask permission first, so the ASC leader knows where they are).
- Students must be collected by 6pm at the latest. The ASC leader will stay in the LRC until at least 5.30pm, in case any students come to the ASC following another activity. It is therefore vital that any students wishing to utilise ASC following another activity arrive in the LRC before 5.30pm.

C. CURRICULUM, FIREFLY AND HOMEWORK

Effective study habits

Alongside our focus on 21st century study skills, we work with students to develop and embed the following successful study habits and approaches, to ensure academic success and enjoyment:

- Consistency – in approach / effort, as well as in review and consolidation of topics covered to help with retention and understanding;
- Resilience – developing an understanding and acceptance that the road to success is not always straight and that progress includes making mistakes and learning from them. Developing strategies to problem solve is key to this, as is knowing when to seek help and support;
- Active engagement and participation – working and approaching tasks with a sense of agency and commitment;
- Organisation – developing systems to navigate the demands of academic study and assessment, including how to prioritise tasks and use time wisely;
- Curiosity and an open mind to challenge, discuss and evaluate the information and knowledge that they are presented with;
- A sense of pride in the work that they produce and the outcomes that they want to achieve;
- Creating a healthy balance of academic work against hobbies and co-curricular interests. This may also involve practising and developing self-discipline (especially with regards to modern technology and mobile phones!) to ensure that work can be completed with focus and attention. Quality over quantity is key here.

Firefly

We use Firefly to record the homework set by each teacher. There is a free app which can be downloaded from Apple or Google stores and the site is accessible directly via <https://westholmeschool.fireflycloud.net>. Every student and parent will be issued with a unique log-in ID and password which will take them directly to their own homework diary.

Class teachers will put their homework on the site each day as well as the date it is due to be handed in. Students and parents can easily see what homework has been set and what is due in on a given day. We hope this will make it easier to help your child organise their homework more effectively, both in the evening and when packing their bags in the morning!

The site allows staff to include links to web resources and upload worksheets and media files. These can be printed and viewed at home. Resources will still be available in school so that all students can do the homework set without relying on computers at home.

Homework

Homework is an important part of learning. Students will be expected to do homework throughout their academic life and the types of homework set will vary depending on subject and topic.

Homework may be used to consolidate and practise knowledge and skills learned in class; extend knowledge and skills beyond those covered in the lessons or prepare for future lessons. Students should expect to receive more homework as they progress through the school and although timetables are set for Key Stage 3, we expect older students to manage their time more independently.

If there are any problems regarding the amount or type of homework, students or parents should contact their child's form tutor in the first instance. We understand that students have commitments outside of school and from time to time this may impact on the time available to do homework. We urge students and parents to be proactive in contacting form tutors so we can help with managing this.

Homework timetables will be available on Firefly from the beginning of each academic year.

D. DETENTIONS

Lunchtime Detentions

A system of lunchtime detentions is in operation from Monday to Friday for those students whose behaviour dictates it is necessary or for students who are missing homework deadlines or struggling with their organisation.

Behavioural detentions are run by the Assistant Heads of Tier and a serious behaviour detention will run on a Friday by a member of the Senior Leadership Team. Parental contact might be made to reflect the seriousness of this sanction. Academic Detentions for persistent missed homework deadlines, lack of equipment and/or resources, will also run during lunchtimes and will be conducted by Heads of Department.

Heads of Year monitor the list of attendees to identify persistent problems which can then be addressed appropriately.

After School Detentions

These would be given for persistent instances of serious misdemeanour and/or for more significant behavioural incidents. The member of staff issuing the detention will inform the Heads of Year and a member of the pastoral team will follow up with parents.

E. EXAMINATIONS

Students from Years 7 to 10 have school examinations during the school year, which will take place from Thursday 20th May to Wednesday 26th May.

In addition, the following take place:

- GCSE and A Level mock examinations will take place in the first two weeks after the Christmas break.

Internal school examinations take place mostly in individual classrooms and the Theatre. Timetables will be given to students in advance and will be available on Firefly.

Students in Years 7-10 attend school as normal for school examinations; however, study leave is given to Year 11 for the mocks and public examinations. Details are sent to parents and it is vital that students on study leave follow instructions carefully about registration and signing out so that we know how many students are in school at any one time.

Where students are entitled to reasonable adjustments, this will be coordinated by the school's Head of SENDCo, Mrs Cunliffe. As far as possible, any reasonable adjustments appropriate for public examinations will be made for school examinations.

Any unexpected absence for internal school examinations must be reported in the usual way and students will be expected to make arrangements to sit any papers missed. If the absence is known in advance, the student or parent should contact their child's form tutor to rearrange any missed papers.

F. FASTING FOR RELIGIOUS REASONS

Westholme School appreciates that as some children get older, they may wish to partake in religious fasting. We respect their choice and also appreciate that these students may struggle to participate in every aspect of school life with the same energy and vigour that we would usually expect from our students. Students are still expected to participate in every aspect of school life, but please be reassured that staff will aim to be as understanding and accommodating as possible.

For example, students will still be expected to participate in their PE lessons, but upon receiving a note from parents explaining that the student is fasting, the member of PE staff will only expect the student to do what they are able. This may be only to take part in some of the session, complete fewer of the tasks than the other students or for the student to let the member of staff know when they need a break.

H. HEALTH AND WELLBEING

We have our School Counsellor, Mrs Rachel Moody, who is a registered member of the British Association of Counsellors and Psychotherapists (BACP). Students can be assured of time and space to speak freely and experience non-judgmental empathy and understanding.

Our School Nurse is very experienced and highly qualified. She is the first person to contact about any medical problems your child may have. She deals with the health needs of the whole school community and the physical wellbeing of every child attending school. If your child becomes unwell whilst at school, we will contact you to come to school to collect your child.

When a student needs to bring prescribed medication into school, they should hand in the medication to the School Nurse, together with the prescription and a letter from a parent detailing the dose and timing of the medication. It is the student's responsibility to excuse themselves from lessons, collect their medication and take it under the supervision of the Nurse.

Please be aware that we are a no nut, peanut and/or sesame school.

Responsibilities of Parents and Carers:

All parents and carers, whether or not their child has an allergy, are responsible for:

- Being familiar with the school's policy and supporting the safety and wellbeing of pupils with allergies.
- Supplying the School Nurse with up-to-date details about their child's medical needs, including dietary requirements, allergies, history of reactions or anaphylaxis, and any related conditions such as asthma, hay fever, rhinitis, or eczema.
- Adhering to any food restrictions or guidance set by the school when providing food (e.g., packed lunches, snacks, or items for events).
- Ensuring their child does not bring food containing nuts, peanuts, or sesame onto the school site due to the severity of some pupils' allergies.
- Encouraging their child to be allergy aware and considerate of others.

Parents of Children with Allergies:

- Work with the school to complete an Individual Healthcare Plan and provide an accompanying Allergy Action Plan.
- If applicable, supply the school (or their child) with two labelled adrenaline pens and any other prescribed medication such as antihistamines (with a dispenser), inhalers, or creams.
- Ensure all medication is in date and replaced promptly when needed.
- Make sure their child has access to their allergy medication, including two adrenaline pens if prescribed, during travel to and from school.
- Inform the school of any changes to their child's condition and ensure all relevant documentation is updated.
- Help their child understand their allergy diagnosis, advocate for themselves, and take reasonable steps to reduce the risk of a reaction (e.g., avoiding foods they are allergic to).

I. INFORMING SCHOOL OF AN ABSENCE

We ask that all student absences are reported by 8am at the latest through the ClassCharts app as follows:

- Open Classcharts app
- Click on the child you are reporting as absent
- Click on Report Absence found in green tab at the top of the page
- Enter date of absence
- Provide reason for absence
- Submit

Planned absences should be requested in advance by emailing the school office at secretary@westholmeschool.com

L. LUNCHES

The lunches provided are popular amongst our students and staff and there is always a very wide variety of options on offer.

Students have many choices including hot meals, salads, jacket potatoes, soups, breads and sandwiches. We take great care to ensure the choices are nutritionally balanced.

Special dietary requirements can be catered for. Please inform the School Nurse of any issues and she will liaise with the catering team (nurse@westholmeschool.com).

Students may bring their own snacks for break-time in from home should they wish, but please, nothing containing nuts, peanuts and/or sesame due to our severely allergic sufferers.

In addition to the lunchtime provision, a break time breakfast club also runs each day. This is a cashless service offering a wide range of hot and cold breakfast items. Students must eat these purchased items in the dining room during break.

The cashless system also covers Westies, and our school vending machines.

M. MOBILE PHONES

For pupils in Years 7 – 11, mobile phones, tablets and other electronic devices must be switched off as soon as students arrive on the school site. They must be kept in lockers or blazer pockets, out of sight.

If a mobile phone is seen during the school day, it will be confiscated. Collection from a senior member of staff will only be permitted at the end of the day. Please note that we remain a cashless school and any purchases from our breakfast club must be carried out on any contactless Visa or Mastercard debit/prepaid card (e.g. GoHenry, HyperJar, Starling, Monzo, Rooster and Revolut); purchases will not be permitted via mobile phones. Smart watches are also not permitted in school.

Phones may be switched on after 3.55pm as we recognise that students travel from significant distances and contact with parents may be necessary. Otherwise, any contact with students can be made via School Reception.

The School will not accept any responsibility for mobile phones, tablets and other electronic devices.

If students need to contact home, they should report to Student Reception.

If parents have an emergency and need to contact their child, then they should telephone the school office.

Students must not wear airpods, earphones or headphones when moving around school, including outside areas.

N. ONLINE SAFETY

Miss Cooper is the School's Online Safety Coordinator. Part of her job is to keep you informed about issues concerning your children and the internet and online safety. In order to do this, she provides termly emails to parents which highlight current online safety issues and make more general recommendations regarding children's use of the internet.

As well as accessing the School's online safety resources, there is a wealth of useful information for parents available online. One excellent site is Parent Info - www.educateagainsthate.com/resources/parent-info/ - which is jointly sponsored by Parent Zone and NCA-CEOP. This site publishes guides to commonly used apps alongside the latest research and reports about online safety and its wider repercussions. It is also worth familiarising yourself with PitDA's WWW strategy which encourages you to make sure that you know:

WHO your child is talking to online,
WHAT they're doing and seeing online, and
WHERE they're going online.

Should you have any concerns about your child's online activity or any suggestions of key topics that should be addressed in the regular newsletter, please do not hesitate to contact Miss Cooper at school (coopers@westholmeschool.com). Alternatively get in touch with your child's Head of Year.

O. OPERATION ENCOMPASS

As part of our commitment to safeguard children at Westholme, as a school we are participants in Operation Encompass. Operation Encompass is a unique Police and Education early intervention safeguarding partnership which ensures that a child/young person's school is informed, prior to the start of the next school day, that there has been a domestic abuse, vulnerable child or missing incident to which the child or young person has been exposed, and which might then have an impact on them in school the following day. Each school is informed of all such incidents, not just those where an offence can be identified or those which are graded as high risk. The partnership recognises that all domestic abuse, vulnerable child and missing incidents can be harmful to children and young people.

This information will be shared throughout the year, including holidays and weekends. Information will only be shared with the school by the police where it is identified that a young person was present, witnessed or was involved. Nominated members of staff, known as Key Adults, have been trained to liaise with the police. At Westholme Seniors, our Key Adult is Mrs Moody. They use information that has been shared with them, in confidence, to ensure that the school makes provision for possible difficulties experienced by children or their families. The Key Adult will keep this information confidential and will only share it on a need-to-know basis, for instance, to teaching staff for the child or young person. It will not be shared with other school students.

This national initiative has been implemented across the whole of the Lancashire Police area. If you would like some more information about it, you can view it online at www.operationencompass.org. At Westholme it is our duty to offer the best support possible for our pupils and a recent review of Operation Encompass showed that it is beneficial and supportive for all those involved.

P. PARENTAL CONTACT WITH SCHOOL

Should a parent wish to contact school about a more serious query or concern, we ask that parents email or telephone their child's Form Tutor in the first instance.

Staff members will aim to respond to queries within one working day, even if this is initially a holding email whilst they investigate. Form Tutors will liaise with the Head of Year (HoY), as they have the overall view of each child. The Form Tutor and HoY will communicate with the necessary staff, and we will aim to respond as soon as possible.

If the matter needs to be dealt with immediately, parents should telephone Reception who will take a message if the relevant member of staff is not available. Please give as much detail as possible when speaking to the Receptionist; you will then be contacted by a relevant member of staff.

Our parents are advised that they should make an appointment if they wish to see a member of staff, to ensure that particular member of staff is either not teaching or involved in another meeting/co- curricular activity. Parents are asked to make appointments with the HoY; other staff will be asked to these meetings where appropriate or information will be passed on subsequently.

We pride ourselves on the warm and positive relationships we develop with our families. Courtesy and respect between all members of the Westholme community is intrinsic to our ethos, in order to maintain a workplace where everyone feels safe. We set an example to our students by nurturing a mutually respectful environment. If a parent or visitor speaks to a member of staff or any member of the school community in a disrespectful or aggressive manner, they can expect to have their communication/meeting cut short and rearranged for such a time when they are able to communicate in a polite and calm manner. Physical or verbal harassment, violence or aggressive or intimidating behaviour towards any member of the Westholme community will not be tolerated.

R. REGISTRATION

It is a legal requirement that we register students twice a day, although each class teacher will also take a register at the start of each lesson.

If, on occasion, a student misses registration for a valid reason, they must ensure that they sign in correctly at student Reception so that the mark can be transferred into the register and also so that we know they are on the school premises.

S. SPORT

All of our after school and Saturday fixtures and practices are published on SOCS (www.westholmeschoolsport.com). We urge you to familiarise yourself with the website as our sporting calendar and any cancellations or postponements are published here. This information is also available via a mobile app.

When entering www.westholmeschoolsport.com on your mobile device, you will be able to save the website to your home screen as an app. The website then works as an app with the same functionality as the website, plus you are able to select your favourite teams for quick viewing of the upcoming fixtures.

U. UNIFORM

We have high expectations for the appearance and standards of all of our students.

All school uniform is purchased through Schoolblazer - www.schoolblazer.com. Full uniform lists (including guidance on Sixth Form) are available through our website and Schoolblazer.

In the case of items indicated by 'Westholme', no variation from the official pattern is permitted and these articles must be obtained from www.schoolblazer.com

The school strongly recommends the option to have name tapes attached at the time of purchase. Queries relating to uniform should be directed to the school secretary via secretary@westholmeschool.com.

NON-UNIFORM DAY GUIDELINES

In the interest of creating a positive atmosphere, ensuring that lessons are not adversely affected and so that some students do not feel under pressure, the following guidelines for non-uniform days have been put into place:

- Students must not wear items that are deemed inappropriate for school: e.g. no revealing clothes such as cropped tops, 'short' shorts, see through garments or pyjamas, no garments with visibly rude or offensive slogans displayed on them.
- Students must be prepared and adhere to the health and safety rules that normally apply during practical lessons on non-uniform day (for example: hair tied back in practical sessions, wearing PE kit in PE lesson, no jewellery in PE / practical lessons)
- No coats should be worn on corridors, in the dining room and in lessons
- Students who are dressed inappropriately should expect to be asked to cover up and / or wear PE kit for the duration of the day

V. VALUABLE ITEMS AND LOST PROPERTY

All school uniform and possessions of any value should be marked with the student's full name (not just initials) and Form and kept safely. Students are asked not to bring valuable items into school, but if this is unavoidable, they should be locked in their lockers or taken to Reception for safekeeping.

Valuable items are allowed in school but only with parents' understanding that the school's insurance does not cover their loss.

Lost property found in school should be handed into Reception. Anything found that is named is returned to the student as soon as possible. Unnamed items are kept at Reception and lost property displays are held at the end of each half term. Students may go to Reception outside of lesson times to ask if their belongings have been found.

Items left in the sports block or changing rooms are put in the box outside the PE staff room, except for valuable items which are given to the receptionists.

It is expected that students will look for their own lost items around school in cloakrooms, classrooms, PE block etc. This is their responsibility. If a student has completed all of these procedures and the item has still not been found, then they may ask their Form Tutor to help initiate a search.

W. WESTHOLME ASSOCIATION

Who are we?

The Westholme Association (known as the WA) is our version of a PTA (parent/teacher organisation). All parents are automatically members of the WA and we currently have a committee of 15-20 parents (both mums and dads) who, together with the school leadership team, meet termly to arrange our calendar with both social and fundraising events.

We have a list of volunteers who are happy to help whenever and wherever they can, without needing to commit to every event. There's no expectation for anyone to attend all of them.

What do we do?

The committee plans a variety of events throughout the year - some are social and some are fundraising with the aim of developing and maintaining the Westholme family community. Typical events are the Spring and Christmas Fairs, termly pre-loved uniform sales, Prep movie nights and discos and balls/party nights. All events, whether for families, adults or children, aim to bring together parents, children and teachers in an informal setting. Our annually fundraising amount is around £12,000, though we are looking to fundraise a larger amount this year to benefit as many children as possible - we'll keep you updated!

Why?

As part of the Westholme family, we are keen to work with school to provide the extras for our children's education. We have items we repeatedly fund such as provision of hatching eggs, and end of term activities for Prep including Year 6 leavers' hoodies, Maths and Lego competitions/leagues, a contribution to the Year 13 Leavers' Ball, Prizegiving awards, etc. Requests arrive throughout the year and for our Centenary Year of 2023 included helping to replace sewing machines, INSPIRED Sixth Form furniture, and contributing to the Westholme Sensory Garden.

How might you help?

We cannot do any of this without your help. You can support our events by attending, by volunteering to help and by donating. We frequently request donations of raffle prizes, gifts for the Fairs and good condition uniform for our sales throughout the year (including one in summer just for new parents). If you see us at events, please do pop over for a chat!

So please come along and support our events, look out for updates in 'Westholme Weekly' and via Parentmail for future and past events and details of items we have funded.

If you would like to become more involved by joining the Committee, then please contact the Chair, Adele Melis, at westholmeassociation@gmail.com or via the School Office at secretary@westholmeschool.com.

6. TRANSPORT

Travel by School Coach

Westholme School offers 11 coach routes to facilitate the home-to-school journeys for our students. If you wish for your child to use this service, please register with our transport management partner, Vectare. All our route information can be found [here](#), and bookings made. Please note that all coach routes are subject to change. A full route optimisation exercise takes place throughout the summer term, in advance of the new academic year.

At the start of the school year, or if you are a new family, you will not necessarily know what after school activities your child will wish to be involved with. We understand this and are very flexible with coach bookings for the first half term your child is in school, subject to availability.

It is our normal procedure to request that students do not wait in cars until the coach arrives but stand at the allocated stop. Whilst we hope that the timings are accurate, there may be occasions when traffic is light and the coach arrives early. To cover for this, we ask that students are at the stop five minutes before the departure time.

The Vectare portal is available, allowing parents and guardians to:

- Access real time tracking of coach services
- Receive real time verification that students have boarded and alighted the bus at their stops
- Receive real time notifications of delays and incidents
- Amend (cancel) booking details for the next journey
- Use the self-booking calendar for booking or cancelling additional ad-hoc services should the need arise (subject to seat availability)

All students who are registered to use the coach service are issued with a fob on the first day of term. This will allow students to scan in and out of the service, as they board and alight the coach. Lost or damaged cards will be replaced. Please visit Student Reception to request a replacement lost or damaged fob. The school will replace one fob free of charge per term, £2.50 per fob thereafter. The replacement cost will be invoiced via Finance.

We remind students that they are to follow the transport Code of Conduct as detailed on the Booking Portal.

Should you require further support, please do contact Vectare via email on contact@vectare.co.uk. Your dedicated phone number for Vectare is 0115 777 3035 which will be available from the start of term. During live service hours, please only call this number for matters relating to the live service. For general enquiries, please call between the hours of 9am and 4pm Monday to Friday if possible.

Travel by car

If arriving at school by car, please note the following arrangements:

If you are dropping off or picking up, please:

- Turn left into the turning circle on Meins Road opposite the entrance to Wilmar Lodge.
- To drop off, use the furthest parking bay either on Meins Road or in the drop off area.
- Continue in a clockwise manner to exit.

The same procedure applies at the end of the school day. It is important that you do not try to park too close to the school gates as the coaches cannot pass and we can have some spectacular traffic jams. Please do not double park or drive slowly around the area in the hope that your child will come out of school whilst you are still moving - this is inconsiderate to other parents and again causes traffic and congestion.

In addition, for the safety of our children, please remember that parents are not permitted to drive into any of the school car parks in the morning or at the end of the day for collection until after 4.15pm.

If your child requires special access requirements, please contact school as special arrangements can be made for you to drop off/collect your child from different areas of the school.

Sixth Form students should not be dropped off or picked up from the Sixth Form Centre at the beginning and the end of the school day, but must follow the same rules as above.

7. SCHOOL RULES

All students are expected to represent the school well, behaving with courtesy and consideration at all times.

Respect

- Students in Years 7 – 11 are expected to stand in silence when any member of staff enters any room.
- We pride ourselves on a mutually respectful and caring environment.
- Students should maintain appropriate relationships, without any inappropriate physical contact taking place.

Movement in the building and on the premises

Students must always:

- Walk on the left on staircases and corridors.
- Give way to members of staff and other adults at doorways and on the corridors.
- Wait to be dismissed by the member of staff at the end of each lesson.
- Walk, not run, in the school building.

Students must not:

- Enter the laboratories, product design, textiles and food rooms, swimming pool, sports hall, art block, theatre or green room except for lessons and other officially organised activities. They are all out of bounds.
- Leave the school premises at lunch time or at any other time without the permission of a member of staff. Students must sign out at student reception if they are leaving the premises. If arriving after registration, students must sign-in at student reception.
- Play ball games anywhere except on the astroturf, courts or playing field.

Assembly

- Students must be silent on the way to assembly.
- Students should wear their blazers and sit in silence whilst waiting for assembly to begin.
- Students must also leave the assembly in silence.

Health

Students should:

- Ask their subject or form teacher for permission to report to the School Nurse if feeling unwell during registration/lesson time. The School Nurse will contact parents if necessary; students should not contact home on the grounds that he or she feels unwell.
- Leave with the School Nurse/Reception staff any medication to be taken during the course of the day. Any surplus medication should be collected at the end of the day.
- Not bring or consume energy stimulant drinks (e.g. Monster/Red Bull) on school premises, school coaches, or trips.
- Westholme is a nut, peanut and sesame-free school – no items containing nuts, peanuts or sesame can be brought onto the school grounds.

Classrooms

Students must:

- Treat all school property and furniture carefully and with respect.
- Keep classrooms, cloakrooms / locker areas and common rooms tidy. Any property left carelessly may be confiscated. Whenever possible, bags must be stored in the cloakroom or in lockers. Any bags taken into a classroom must be kept under the desk.
- Report if a member of staff fails to appear for a lesson after 10 minutes of waiting. Two students from that group should go to reception to report it.
- Only eat or drink in the dining hall. No cans, glass bottles or breakable containers are to be brought to school.
- Only open classroom windows or touch blinds and curtains if permission has been given by a member of staff.

Uniform

Students must:

- Wear only the official school uniform unless otherwise instructed by a member of staff.
- Wear their blazers to and from school and in lessons.
- Always have their shirts/blouses tucked in.
- Ensure skirt length is no shorter than just above the knee.
- Boys must be clean shaven from Years 7 - 10. For Year 11 & INSPIRED Sixth Form, trimmed beards and moustaches are allowed as long as they are smart and tidy.

Students must not:

- Have their hair in a bizarre or outlandish style. Hair should be no shorter than a number 2 clipper setting. It should be of a natural colour. If these guidelines are not abided by, students can expect to be sent home until such time as their hair is deemed appropriate for school. (From Year 11, students can have a skin fade, but it can only fade up to a number 2 at the shortest.) In Years 7 - 10, any students with long hair must have it tied back. Hair ties must be plain black or purple. No claw clips or large bows.
- Wear make-up, nail varnish have false nails/gels or wear false tan.
- Have tattoos.
- Wear henna (unless permission has been granted by a Head of Year).

Students may:

- Wear one pair of small ear studs (one stud only in the bottom of each ear lobe) and a wristwatch: not an Apple Watch, smart watch or equivalent.

Property

- No money should be left in bags or blazer pockets.
- All personal belongings and textbooks must be clearly named.
- No PE kit or any other equipment should be borrowed without the permission of the member of staff or student concerned.
- No electrical appliances may be brought into school except with the express permission of a member of staff. Such appliances must be tested by the estates team immediately for safety.
- Water bottles must be clear and plastic not glass.

School Books

All textbooks remain the property of the school. They must be maintained in good condition and any lost or damaged books must be replaced or the school reimbursed.

LRC

- The LRC is a quiet work space as well as a place of learning; therefore talking in lessons should be kept to a minimum and low in volume. No food or drink should be taken into the LRC during the school day.
- Students may use the photocopier in the LRC but only with permission of a member of staff and with the agreement of the LRC manager and in accordance with copyright laws.
- Students may use the computers and internet but only in accordance with School ICT policy and the student Acceptable Usage Policy.

Vending machines

- These machines are only to be used before the first bell in the morning, at break, during the lunch hour and after school. No one is to use the drinks vending machines between lessons. There are water fountains available throughout the school.
- The vending machine in the INSPIRED Sixth Form area may not be used by those in Years 10 and below during the school day.

Chewing Gum

This is banned on the school premises and on the school coaches.

Coaches

Students who travel on the coaches must sit in a seat and must fasten their seat belts. Please visit [Vectare](#) for full details of the Code of Conduct. There should be no food, hot drinks or drinks other than water consumed on the coaches and pupils must leave the coach clean and tidy.

Outside of lesson time and after school rules and guidance (please also see ASC section)

- All students must leave all school buildings no later than 6pm.
- If students require first aid, the School Nurse can be found in her office. If she is not there, then students should report to Student Reception, who will send for a first aider.
- If first aid is needed outside of Student Reception working hours (before 8am and after 5.30pm) then students should report to the staffroom or find a member of the Senior Leadership Team (the member of SLT who is on late duty each day is written on the notices).
- Students should keep away from areas that have been fenced or roped off. Other out-of-bounds areas include any locked room, store cupboards, Croston Theatre, theatre toilets, Green Room, roads, rivers, ponds and car parks.
- The astroturf is only open to students at lunch time not over morning break. All students wishing to use the astroturf will require appropriate footwear (not school shoes).

9. THE HOUSE SYSTEM

On arrival at Senior School and INSPIRED Sixth Form (ISF), all students and teachers are allocated to one of the four Houses. Each House is led by House Captains who are members of the ISF, elected to these roles by students and staff.

A staff Head of House is also allocated to each House to lead the ISF Captains in their role.

	BOWLAND	CALDER	LONGRIDGE	PENDLE
HEAD OF HOUSE	MISS E HOODLESS	MISS E ROSS	MISS S HAMID	MRS J CORRIGAN
HOUSE CAPTAINS	CHLOE WILLA OSCAR	MAHEEN NATASHA DAANISH	LEWIS GRACIE YAHYA	HARRIET JENSEN FINLEY

- Members of each House meet throughout the calendar year for House Assembly in the Croston Theatre.
- Each House meets on the designated day for their House assembly in the Theatre, with all staff members in that specific House in attendance.
- Heads of House and INSPIRED Sixth Form House Captains lead assemblies, supported by wider staff in their house when required.
- Assemblies are aimed at promoting their House and forthcoming events, inspiring students to support their house and take part, furthering the House spirit, and celebrating individual, year group or team successes.
- During the year there are numerous inter-house activities, where competition is fierce but friendly, as both students and staff support their House.

Activities include:

Badminton Championship
Boys and Girls Football
Chess Championship
House Entertainment
Cricket Championship
Cross Country Championship
Hockey Championship
House General Knowledge Quiz

House Music Championship
House Spoken English Competition
Netball Championship
Rounders Championship
Sports Day
Swimming Gala
Tennis Championship
House Pool Competition
House Debating

10. CO-CURRICULAR & TRIPS

At Westholme, we believe it is important to take a holistic approach to student development. We believe that what goes on outside the classroom is a crucial part of this, and that lessons learned there help to build character at least as much as more traditional ones.

The co-curricular timetable changes each term and is available in Form rooms, noticeboards and the parent portal.

Please encourage your children to get as involved as possible. Year 7-9 students are expected to attend at least two activities a week, and are encouraged to try something new. There are also many trips that occur at weekends and during the holidays. Your child will find out about these through lessons or assemblies. If they are interested, a letter will be emailed to parents providing more information. Parents can then choose to sign up and pay a deposit through EVOLVE.

11. PROCEDURES IN THE EVENT OF ADVERSE WEATHER CONDITIONS

The website is the most reliable way of obtaining information in the event of any emergency: www.westholmeschool.com

In the event of heavy overnight snow, the website will be updated by 7:00am. During any periods of extreme weather, the website will be continually updated.

Parents may also be contacted by email. It is therefore particularly important that parents and guardians keep school informed of any contact detail changes.

It is the school's aim to remain open but in the event of adverse weather conditions, closure may become necessary to maintain a safe and staffed environment.
